Devon Vintage Car Club

A short history

Started by just four enthusiasts in 1968, it was first called the "Pre 49 Car Club", becoming the Devon Vintage Car Club at the 1970 A.G.M. We now have over 200 members in Devon and throughout the region.

The club's aims

The main objective is to bring together those whose interest is the preserving, restoring and using of old vehicles.

To this end various events are organized during the year, the most well known are the two Autojumbles.

Apart from the Sunday Club Runs throughout the year, usually to a lunch venue, there are also occasional afternoon runs and convivial meetings with other clubs.

Some members have occasionally organized short holidays and trips abroad.

Each month members receive a magazine. This includes a calendar of forthcoming Club events and also a list of neighbouring clubs and contacts for

other event organizers. Contributions from members are welcome. You can receive the magazine by post or e-mail.

Please remember it is not necessary for you to own or be running an old vehicle to partake in most of our events. Your enthusiastic support of our aims is all that is needed.

How to join

Membership runs from 1st January until 31st December. New members accepted after 30th September have membership to the end of December in the next year. **It costs £15 annually plus a joining fee of £2.**

If you would like to become a member please fill in your details alongside, and return with your payment and a S.A.E. to the membership secretary:-
