Accepted at committee meeting on

Membership No.

# DEVON VINTAGE CAR CLUB

## A short history

Formed by just four enthusiasts in 1968, the club was first called the pre-49 car club, and then renamed the Devon Vintage Club in 1970. The Club now has some 250 members and is a member of the Federation of British Historical Motor Clubs.

## The Clubs aims

Our main objective is to bring together those who have an interest in preserving, restoring and using classic vehicles. To this end various events are organised during the year, the most well-known is possibly the Spring and Autumn autojumbles. Club runs are very popular throughout the year and they usually include lunch or teas. We also occasionally meet up with other like-minded clubs. Some members have from time to time organise short holidays and trips abroad. We also hold regular breakfast meetings through much of the year.

The club produces a monthly magazine, this includes a calendar of club events, articles written by club members, all the latest FBHVC news and contacts for other events in and around Devon. Club members can advertise for free the sale of their cars or car related items. The magazine is available by post and email. It is not necessary for you to own or be running a classic vehicle to partake in most of the events. Your enthusiastic support of our aims is all that is needed.

## How to join

Membership runs from the 1 January until the 31 December. New members accepted after the 30 September have membership to the end of December in the next year. Subscription is £18 per annum plus the joining fee of £2. If you would like to become a member please fill in your details alongside and return with a cheque for £20 and a stamped addressed envelope to the Secretary
